Hmw:

How might we increase the views of a portfolio?

How might we urge the viewers to contact the developer?

How can the recruiters hire or invite the developer to an interview?

Probing Question:

Why did you do that?

Tell me why you felt that way

Why is that important to you?

Where were you when this happened?

Tell me more about that

How did you feel about

Is that usually the reason.....?

Ask 6 questions and the rest probing questions

Icebreakers:

What is your name?

Tell me about yourself

What is your occupation?

How long have you been in this occupation, and what do you like about it?

Questions:

- 1 Tell me about your process of looking for and hiring a developer/ designer
- 2 As a hiring manager, you have limited time to look and choose through a developers/designer's website/portfolio; how do you choose which website or portfolio is worth looking through?
- 3 What do you look for when viewing a designer/developer website/portfolio?
- 4 On average, how long do you spend viewing a well-designed portfolio/website?  
what causes you to stop and spend that amount of time
- 5 What is something you despise seeing on a developers website and/or portfolio
- 6 Can you tell me when you weren't satisfied with a developer/designer's portfolio/website, which caused you to leave their site?
- 7 What is your preferred way to contact a developer/designer? Ex. email, through their website, phone....
- 8 Do you have anything else to share about this topic?
